

Nursing

at North Fulton Regional Hospital

NEW GRADS—North Fulton Regional Hospital is proud to offer the **Versant RN Residency** for new graduate RNs. The Versant Residency is an 18-week comprehensive, evidence-based on boarding of new graduate nurses that helps them gain the experience, judgment skills, and confidence they need to navigate the complexity of hospital life. Entering the professional world as novices, Residents progress to the competent level quickly, safely and efficiently.

The Versant Residency Program is offered twice a year, typically beginning in March and August, and positions are posted on line.

EXPERIENCED NURSES— North Fulton Regional Hospital offers a community hospital feel with the technology and excitement of a busy level II trauma center. We are committed to staff development and offer several different offerings such as: tuition reimbursement, student loan repayment and clinical laddering incentives.
